Anyway You Look At It...

It Pays To Order Early & Save!

A TALE OF 3 SERGEANTS

Sgt. Early, Sgt. Later and Sgt. Wait

All needed a new vehicle for their return to the USA

Sgt. Early

ordered over a year before PCS'ing and locked in the best price, rebate and special incentive.

Sgt. Later

visited us after receiving their orders and received a privileged military price, rebate and incentive. The order was backed by our Lowest Price Guarantee*.

Sgt. Wait

decided to PCS without ordering a vehicle. SGT. WAIT did get a vehicle, but paid a bit more than expected and had to take what was available on the dealer's lot... which wasn't all they had hoped for. What's more, they wasted valuable leave time searching and searching, instead of spending limited vacation time with family and friends.

Both Sgt. EARLY and Sgt. LATER saved thousands versus a Stateside dealer, and had their vehicle ready and waiting exactly the way they wanted it.
